How to...

backstitch like a pro

Backstitch is used to add detail and definition to a piece. Bring your needle up at (1) and down again at (2), come up again at (3), then back down at (1) and so on, to direct each stitch 'back' towards the line of the growing backstitch.

Jenny READER PANEL

“I love Westies as they have a lot of character. I'd stitch this one to hang up on a wall, or it would be a lovely gift for a fellow Westie fan. With a bit of tartan fabric, you could make a decorative cushion cover!”

EMILY, DESIGNER

“As soon as I saw this design, I fell in love with it! My grandmother always had Westies when I was growing up, so I'll be stitching it to bring back some happy childhood memories.”
