This design was stitched using DMC stranded cotton and Stef Francis space-dyed six stranded thread.

Stitching TIP

The clouds are half cross stitch in two strands. Make sure you take just a little time to check that you are not going too fast and distorting the fabric when stitching this part of the design.

Our stitched piece was stitched in Stef Francis variegated threads but we have also included the DMC alternative so you have a choice.

Stitching TIP

Sue has used Stef Francis space-dyed threads to give colour variation in the fields. The foreground is stitched in two strands, whilst the background is stitched in one. Complete each cross separately.
