(2) indicates more than one skein required

Make a... pin board

Step 1

ATTACH the mount board to the top of your frame using double-sided tape. Place two rows of double-sided tape on the back of your frame.

Step 2

PUT your stitching face down and position the wadding on top. Mark and match up the centre points on your frame and fabric edges.

Step 3

PULL the fabric tight to the reverse, using the first row of tape to secure the wadding and the second row for your stitching. Staple to the back of the frame.

Step 4

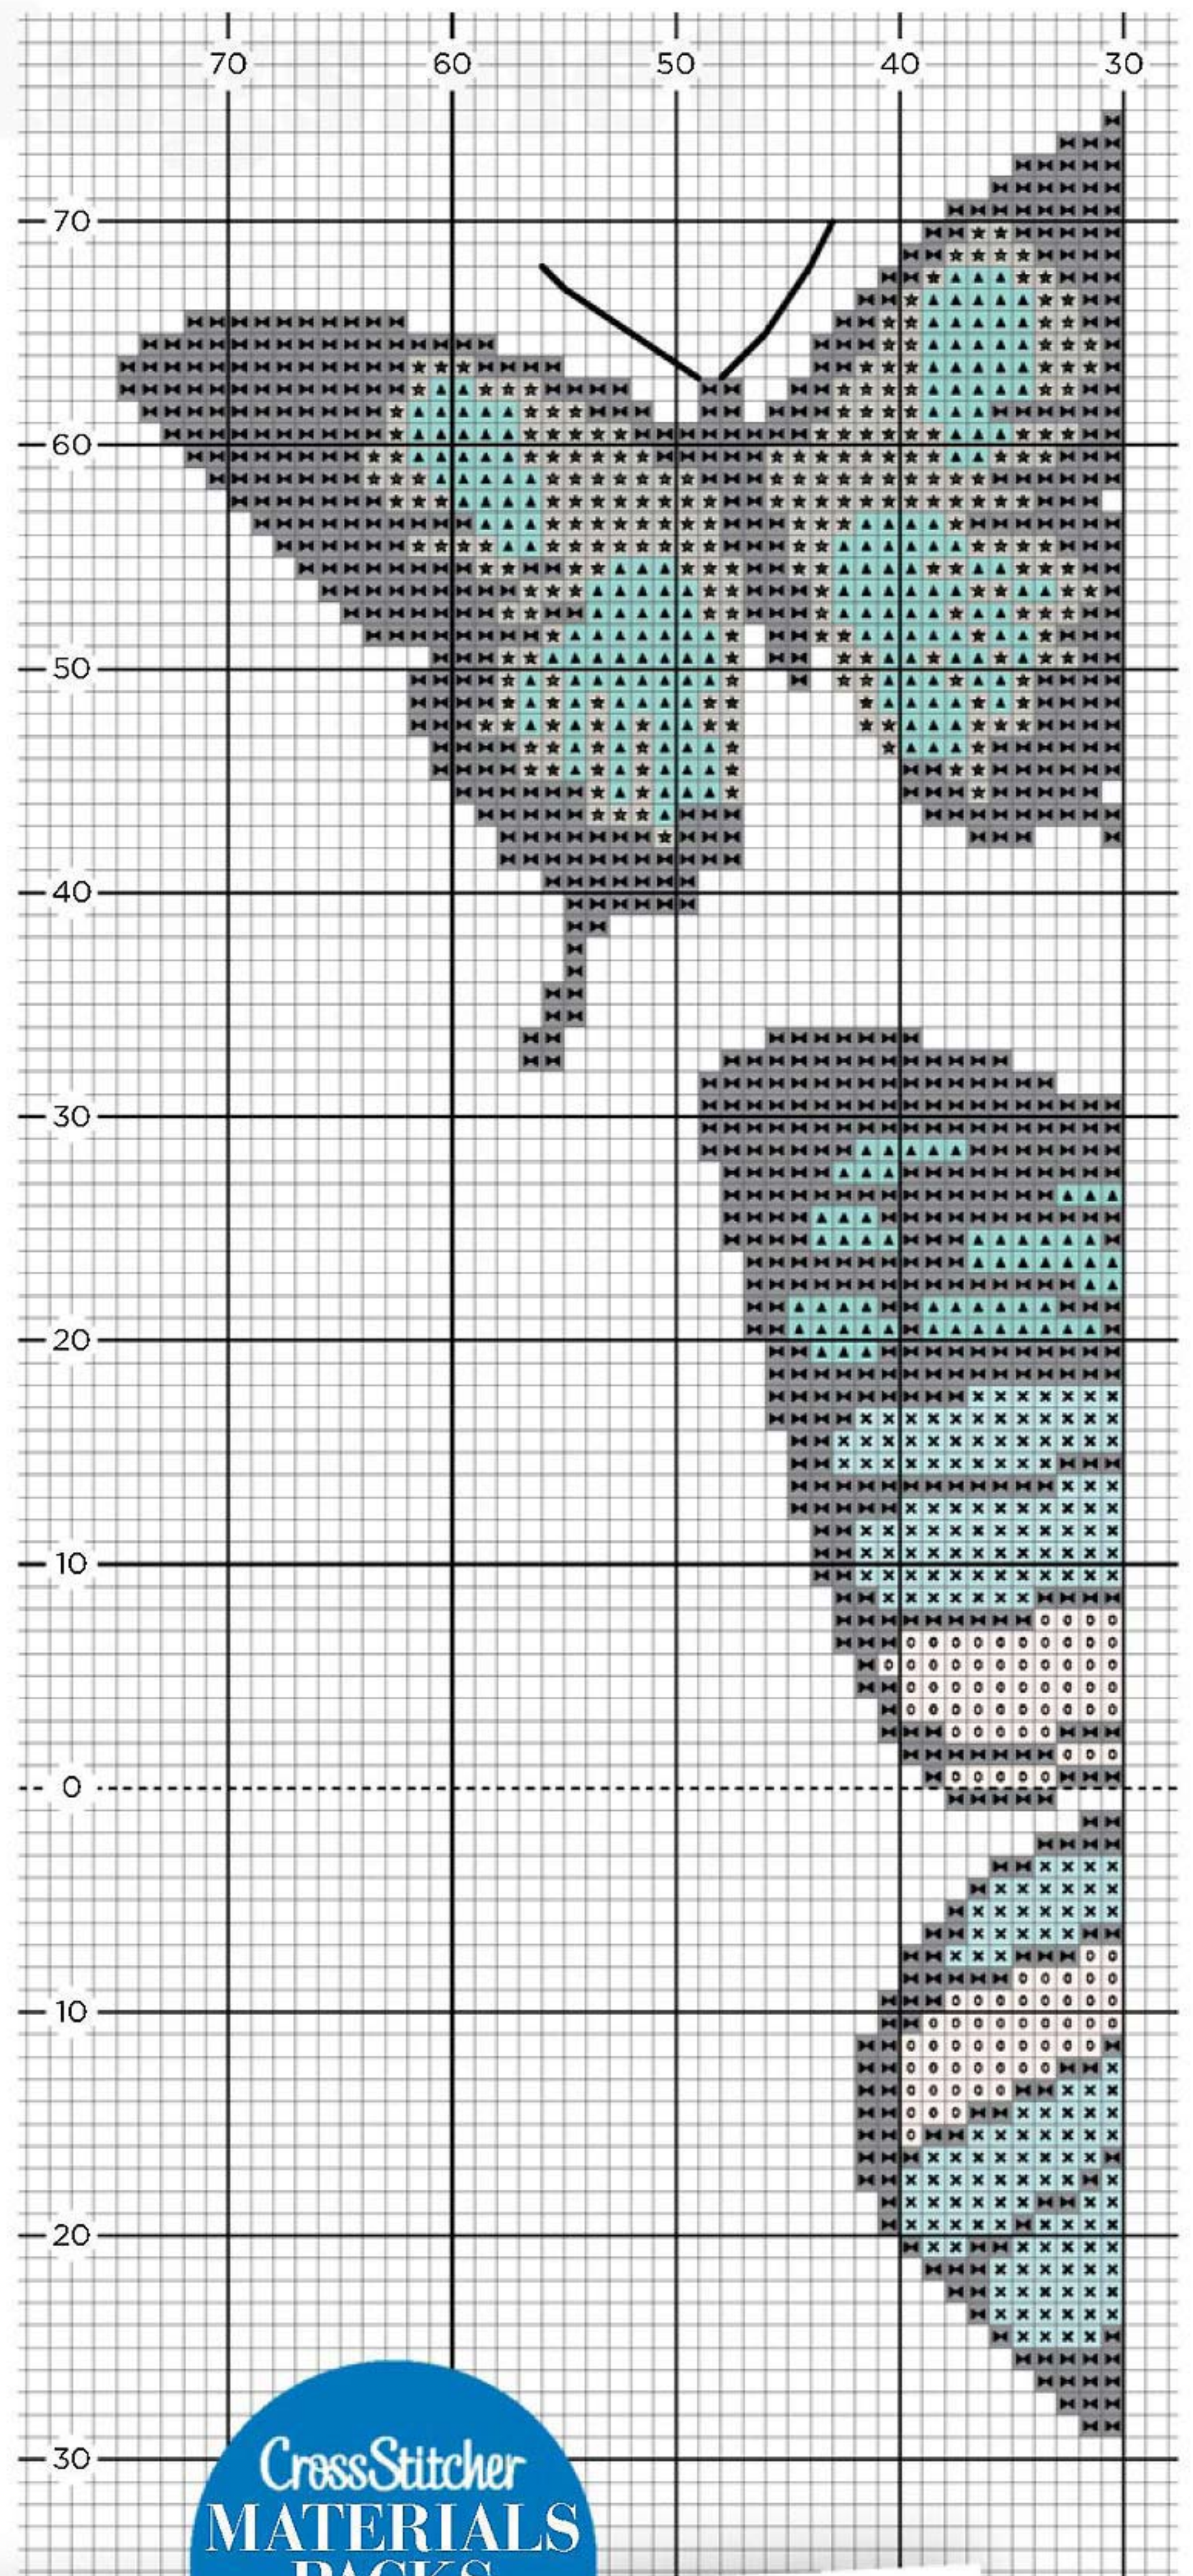

STRETCH a piece of ribbon over each corner and staple to the back of the frame. Secure the raw edges of fabric and ribbon with tape.

Materials

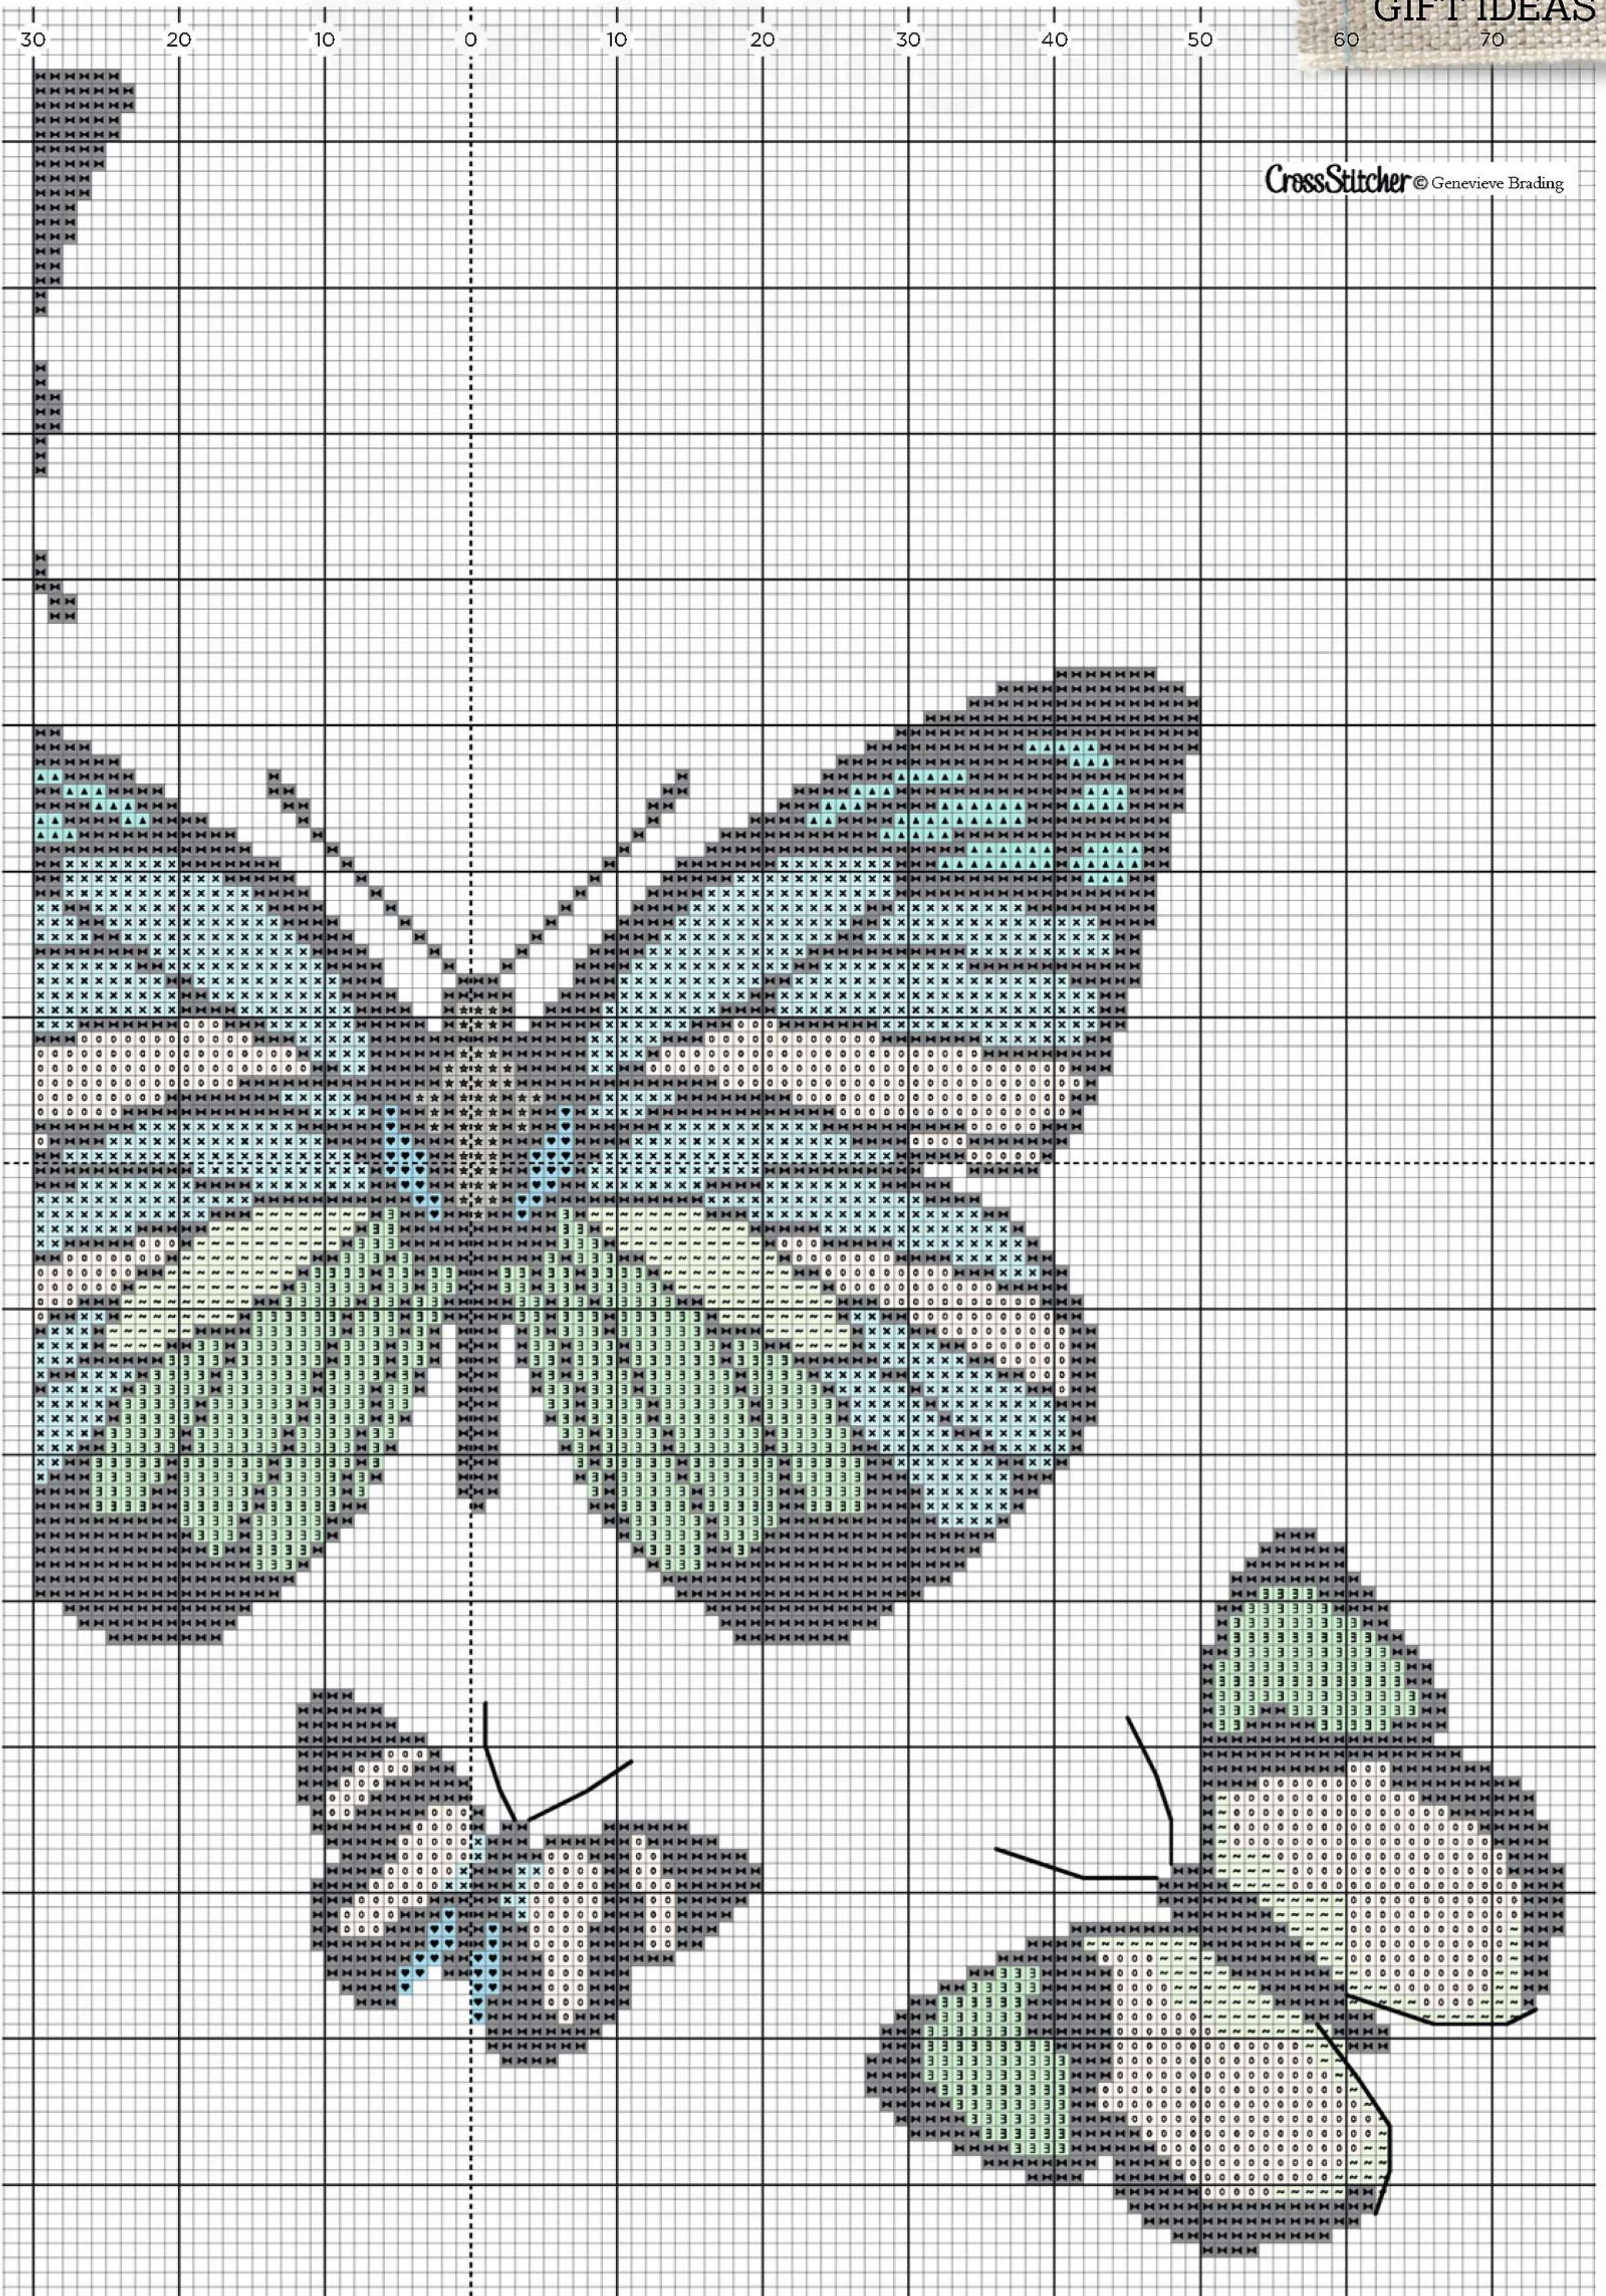

Pin board

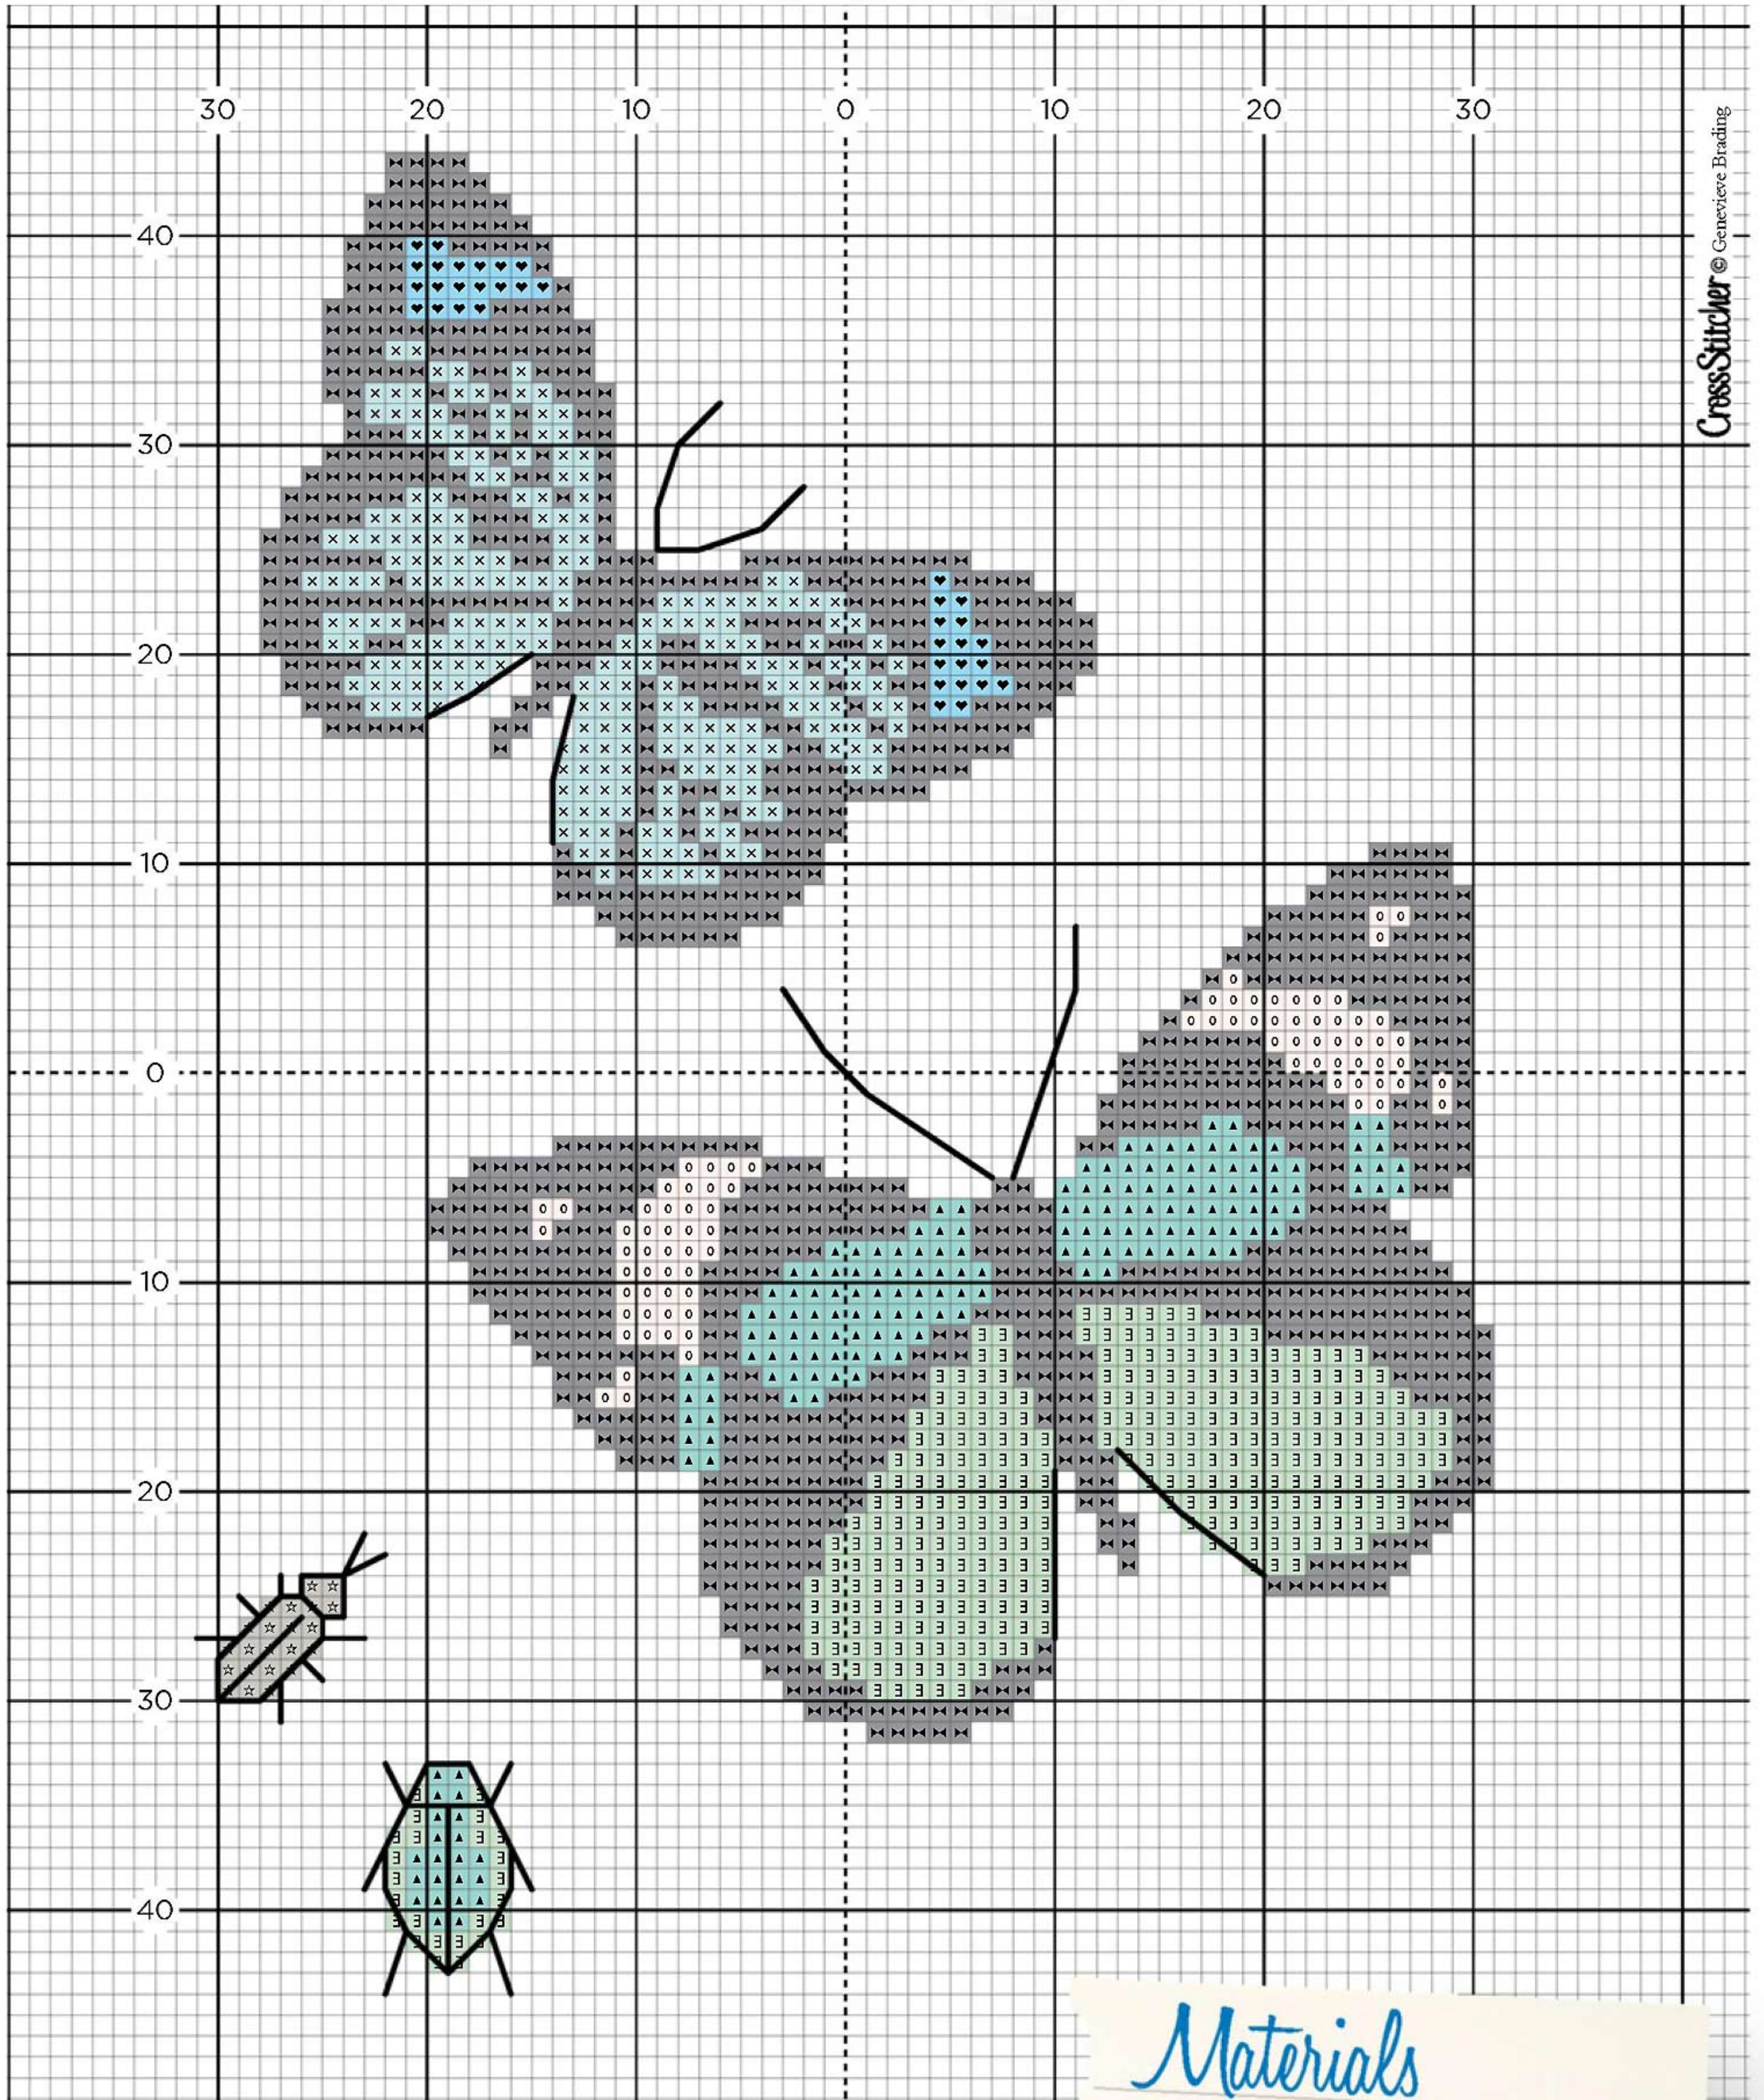

- 28 count white evenweave, 50x50cm
- Wooden frame with outside measurement of 29x29cm
- Mount board, 29x29cm
- Wadding, 40x40cm
- Ribbon, 60cm
- Double-sided tape
- Staple gun
