# little Bitz

~ little designs with LOTS of appeal! ~

• And A Partridge ... •

# And A Partridge ...

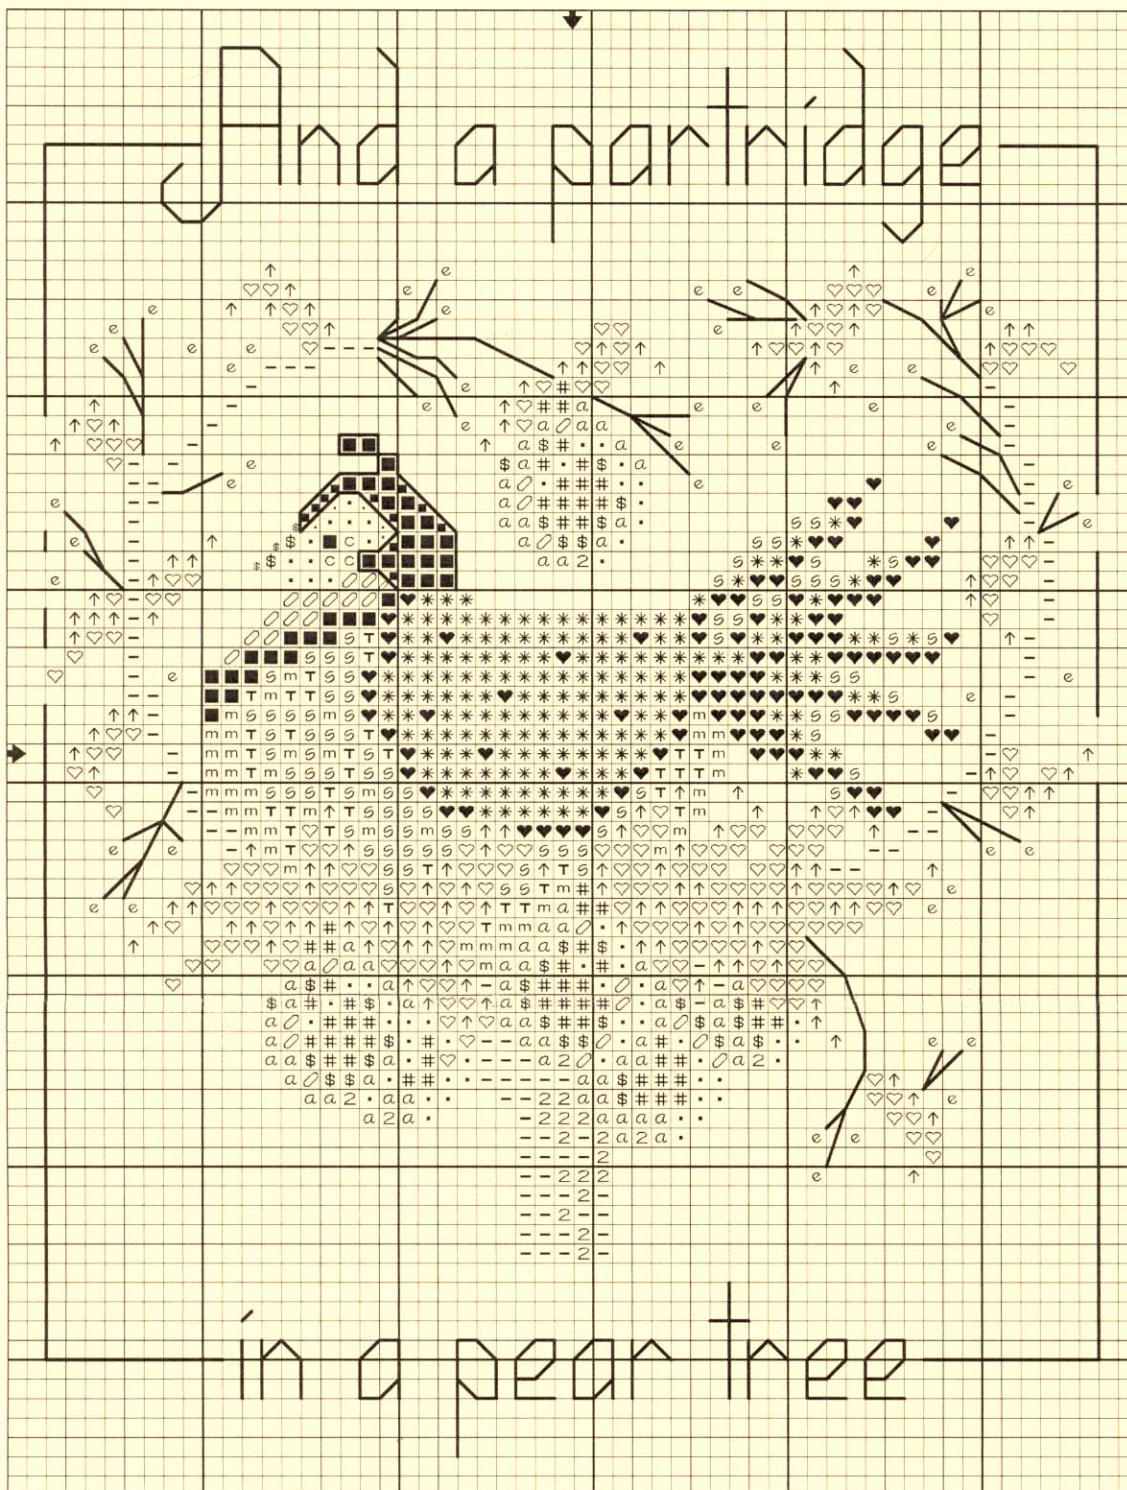

This chart has been designed and reproduced with tender loving care. However, I'm well aware that sometimes mistakes do occur, no matter how careful we are. If you find a mistake - or have any problems stitching any of my designs - please don't hesitate to call or write and let me know.

Feel free to make one photocopy of this chart for your personal use, if you'd like.

However, making additional copies, either to sell or pass on to friends, is prohibited. Doing that makes it very difficult for us as designers to continue in this wonderful business of providing you with new designs, and it hurts the needlework industry as a whole also. With your help, we can continue to make it work!

Linda

In this design, all cross stitches are made using 2 strands of floss over 2 fabric threads, and all of the backstitching is also done using two strands. See backstitch instructions for specific details.

### Backstitch instructions:

Border outline and lettering done using 2 strands 918 (341).

Partridge's head is done using 2 strands 310 (403).

Tree branches are done using 2 strands 975 (355).

## • And A Partridge ... •

**And A Partridge** can either be stitched on 32 count natural Belfast linen, or Lambswool Jobelan. It is stitched using two strands of DMC floss over 2 fabric threads, and is 54 stitches wide x 73 stitches high, measuring approximately 3-3/8" wide x 4-1/2" high.
