

# NEON BRIGHTS

## Materials

- 25 count pale blue evenweave, 50x60cm
- Pale blue backing fabric, 30x44cm
- Wooden dowel, 30cm
- Turquoise cord, 75cm
- Bobble trim, 26cm

For stockist details see page 92

*Instead of a hanging picture, how about making a funky shopper bag with a bright patterned fabric lining?*

## Make a... hanging picture

### Step 1

**TRIM** your stitching to just 1.5cm beyond the bottom and side stitched edges. Leave about 8cm beyond the top stitched edge. Cut a piece of pale blue backing fabric to the same size. With right sides in, machine sew the sides and bottom, sandwiching your length of bobble trim along the bottom edge and leaving the top edge open.

### Step 2

**TURN** right sides out, fold the top edges in and machine stitch over to secure. Fold the unstitched excess fabric along the top edge to the reverse, creating a channel for the dowel. Secure with tacking stitches. Slide in your dowel and tie cord to each end to finish.
