Instructions

Center the design and begin stitching over two fabric threads. Work cross-stitches and Smyrna crosses with two strands of cotton embroidery floss.

Refer to the "In the Classroom" instructions on pages 52 to 53 to add the Memory Thread details, couching into place with matching cotton embroidery floss.

Lay the needlework facedown on a terry cloth towel (to protect the Memory Thread) and use a pressing cloth to carefully iron the needlework from the back before framing as desired.
