## NOTE

Numbers that appear **BEFORE** the color name refer to the DMC thread color. This is given for **IDENTIFICATION PURPOSES ONLY** as your kit may contain another brand of floss **SIMILAR** in color to the DMC.

Numbers that appear **AFTER** the Color Name refer to the number of 36" lengths included in the kit. If your kit contains **LONGER** strands, **CUT IN HALF BEFORE COUNTING AND EMBROIDERING.**

**FLOSS CARD-** If your kit includes separated threads on a floss card these are arranged, in the same order as listed on the color key.
