Imagine this...

- ☆ The designs charted here are perfect for decorating small projects, such as the towel and bag shown on page 18. You could also use smaller motifs from the main chart, either alone or repeated to form borders.
- ☆ The larger designs would make very pretty pictures, perhaps framed similarly and displayed as a group.
- ☆ The fish and seahorse motifs would be ideal for someone who enjoys keeping fish – perhaps to decorate the front of a journal or notebook.
- ☆ The small fish and seahorse motifs could be stitched for key rings or a set of coasters.
